Faculty of Mathematics and Natural Science

■ April 16th, 2024 ■ May 22nd, 2024 ■ June 26th, 2024

Prof. Michal Goldberg and Mrs. Lital Myers are thrilled to invite you, our esteemed international doctoral and post-doctoral students and researchers, to a series of workshops tailored to enhance your professional "soft" skills.

Skills crucial for success in the scientific realm.

Topics include Networking, Time Management, Interviewing, CV Writing, and more.

Your participation will enrich your own development and also contribute to our vibrant academic community.

Prof. Michal Goldberg

Vice-dean of International Affairs

Lital Myers

Coordinator for International Affairs

Location – Edmond J. Safra campus, Givat Ram

*Imagination is more important than knowledge.
For knowledge is limited,
whereas imagination embraces the entire world,
stimulating progress, giving birth to evolution*

-Albert Einstein

The Workshops will be given by:

TALI MESHORER

Organizational Consultant, Group Facilitator and Leadership Coach focused on assisting leaders in science reach their full potential.

Previously managed all aspects of Human Resources and Administration in start-up companies in both Israel and the United States.

Holds a MA in Organizational Studies and a joint BA in Communications & Journalism and Italian Literature, both from the Hebrew University of Jerusalem.

1. Marketing Myself: How to present myself at Interviews and Conferences

Have you ever found yourself fumbling for words when you want to present yourself professionally? Then this workshop is for you!

In this workshop you will:

- Learn to identify your strengths and how to verbalize them
- Create your “elevator pitch” so that you’re ready for any new interaction
- Understand the importance of first impressions
- Practice, while interacting with fellow international students
